1 Overview

A quick summary of the lecture.

2 Examples of environment use

To add a citation use [?]

Theorem 1. This is a theorem

Proof. This is a proof that refers to the last theorem/lemma/corollary etc.

Lemma 2. This is the a lemma

Proof Sketch. Use this if you only want to include a sketch of the proof and not the details.

If you want to add the proof of the theorem later use:

Proof of Theorem ???. This is a proof that refers to the last theorem/lemma/corollary etc.

Corollary 3. This is the corollary environment.
