

March 3, 2011

# ENGR110/210

## Perspectives in Assistive Technology

David L. Jaffe, MS

Professor Drew Nelson

Harpreet K. Sangha

# Questions, Comments, Thoughts?

# Administrative Items

- Request an “Incomplete” if you think you may be unable to submit missed lecture summaries by the end of the quarter.
- Schedule individual presentations
- All reports and individual reflections due Friday, March 11<sup>th</sup> at 5pm. Let me know if you need more time.

# Individual Reflection

- A summary of your personal experiences taking the course and working on a team or individual project.
- Elements include: expectations, team dynamics, perceived effectiveness, incidents, situations, surprises, challenges, ethical issues encountered, relationship to career plans, new perspectives, interactions with users and others outside your team, lessons learned, perceived value of the design process you used.
- Questions: what would you do differently, what course content was helpful, what resources were beneficial, what advice do you have for others?

# Thursday, March 10th

## Course Evaluation and End-of-Term Celebration in Geology Courtyard

**Sign up for pizza or burrito and soda**

# Ableism

[Video](#)

- What is ableism, and how does it effect our lives and the lives of disabled and differently-abled people?
- This Woolman Doc explores that question as students interview disability rights activists and use original art work to illustrate their stories.
- All Woolman Docs are researched, filmed, edited, directed, and produced by high school students at the [Woolman Semester](#) in Nevada City, CA

Tuesday, March 8th

**Student Team Project Final Presentations**

# Today

Ralf Hotchkiss  
**Wheelchair Fabrication in  
Developing Countries**
