A New Kind of Community Playground for Redwood City, California

Leveraging the innovative spirit of Silicon Valley, Magical Bridge Playground is uniquely designed to address the needs of the entire community. With an underlying message of kindness, Magical Bridge Playground removes the barriers of today's typical playgrounds and gives everyone a place to play together as never before.

Join Magical Bridge Foundation and Redwood City Parks, Recreation and Community Services to bring Magical Bridge Playground to Redwood City.
Magic is Coming to Redwood City!

Magical Bridge Playground is mindfully designed to deliver significant benefits to people of all ages and abilities. Magical Bridge Playground in Redwood City will feature elements inspired by the area's unique landscape and the values of the community.

The play zones planned for Redwood City's Red Morton development include:

- Innovation Zone
- Music Zone
- Tot Zone
- Spin Zone
- Kindness Corner
- Slide Mound
- Swing & Sway Zone
- Picnic & Group Area
- Playhouse & Stage

Where Everyone Plays

Magical Bridge Playground addresses the unique play needs of the various ages and abilities which make up our community. While 20% of the nation's individuals are living with a disability, only 10% of them use a mobility device. That means that the other 90% are living with autism, sensory challenges, cognitive and developmental issues, and complications that arise from aging. They play differently and, until now, the needs of this large subset of our community have not been considered. The first of its kind, Magical Bridge considers everyone.

The success of Palo Alto's flagship playground clearly illustrates how today's typical park designs overlook so many — and how important it is for the health and wellbeing of every community for everyone to have a place to play together.
Leave a lasting legacy. With early sponsorship of a play zone, you will have the unique opportunity to offer input on design and equipment selection. Your name will be prominently displayed in the playground showing your commitment to the community for generations to come. Play zone sponsorship is available on a first-come, first-served basis.

**INNOVATION ZONE $250,000**
Capturing the innovative spirit of Silicon Valley, the Innovation Zone provides unique and interactive play experiences utilizing technology, art and design that stimulates the full array of human senses in an entirely new way.

**MUSIC ZONE $250,000**
Music stimulates more parts of the brain than any other human function, motivating interaction, facilitating socialization, and giving non-verbal people a way to express themselves. The artist-designed 24-string Laser Harp gives everyone a magical way to create orchestral music.

**TOT ZONE $250,000**
Outdoor play is a critical way for young children to create friendships, explore, take risks, develop fine and gross motor development, and absorb vast amounts of basic knowledge, including the valuable lessons of inclusion and kindness. The Tot Zone is expressly designed for children aged 1-4.

**SPIN ZONE $250,000**
Rotary vestibular input, caused from spinning, is the most powerful form of sensory input that the brain can process. A popular group activity, the climbing net spinner and ground-level carousel are accessible for all ages and abilities so everyone can spin together!

**KINDNESS CORNER $150,000**
The heart of Magical Bridge, the Kindness Corner is a gathering place for reflection, compassion and education. It helps spark conversations about making friends with those who are “different,” modeling positive behavior, and encouraging kids to be up-standers and address the issues of bullying.

**SLIDE MOUND $450,000**
Sliding helps coordination, balance and movement, and the Slide Mound is uniquely accessible for all (even wheelchair users)! The Slide Mound features a group slide, curvy slide, stimulating roller slide, climbing loops, a climbing net, and more.

**SWING & SWAY ZONE $250,000**
Swinging creates vestibular stimulation critical to maintaining body posture, balance and equilibrium. The bucket swings, group d sc swings, and sway boat accommodate all ages and abilities giving everyone the opportunity benefit from this important motion.

**PICNIC & GROUP AREA $150,000**
As a destination that promotes unity and kindness, Magical Bridge will quickly become a special gathering place for families in Redwood City and the surrounding area. The group area is a special area to enjoy time together under the trees, take in a performance on the Playstage, and experience children playing together.

**PLAYHOUSE + PLAYSTAGE $450,000**
Through pretend-play, children experience the full range of their senses and feelings. Since 1987, Barbara Butler Artist-Builder, Inc. has created over 600 unique play structures — and their first wheelchair-accessible, two-story playhouse was designed and built especially for Magical Bridge. It will surely be cherished by your entire community.
The Magic Starts With YOU

There are many ways to get involved in bringing Magical Bridge Playground to Redwood City — from your generous donation to community engagement. No amount is too small and everyone is welcome to join the effort! We can’t do this without you!

Redwood City has made a significant contribution to this project. Now, as a community, we need to raise $1.2M to make Magical Bridge Playground in Redwood City a reality. Your donation will give countless families a place to play together — some, for the very first time.

With major sponsorship as outlined below, your name will be prominently displayed in the playground and on the donor wall. Please contact Magical Bridge Foundation for zone selection assistance or to discuss donation opportunities.
