SCRA Facility Use Procedures for Youth Swimmers  
Participating in the SCRA Aquatics Program

Parking
- Park for drop off and pick-up, do not stall the flow of traffic by dropping off in front of the entrance gate.

Shower & Locker Rooms
- Swimmers may not use the SCRA locker room or indoor showers before 6 pm. Swimmers may use the restroom upstairs to change.
- After 6 pm, swimmers may use the SCRA locker room for 2-3 minutes. Swimmers can take a 2 minute outdoor shower.
- The locker rooms may not be used for socializing.

Bags
- All bags and personal belongings must be kept on the far side of the BBQ area. Bags should be put on the raised ledge and not on the ground.
- Bags may not be kept in the locker room (on the floor, benches, or in the cubbies). This includes equipment bags and bags with personal belongings, towel, etc.

Pool Usage
- Swimmers may only be in assigned lanes during the allotted practice time.
- Swimmers must exit the pool immediately after practice.
- Swimmers who are SCRA club members may use all facilities recreationally under direct adult supervision and must take a 1-2 minute “break” after practice to check in with their parent or caregiver.
- Non SCRA members or swimmers who are unsupervised in the pool will be asked to get out of the pool.

Facility Usage
- Swimmers and families should only be at the facility during scheduled practice times, and 10 minutes immediately before and after for drop-off & pick-up.
- Non SCRA member parents are highly encouraged to not remain onsite during practice. If required, parents may sit at the BBQ area tables during practice; please do not sit on the lawn chairs watching the pool. Parents must not interfere with practice.
- Swimmers who would like to play after practice can do so at nearby parks. Coaches are not responsible for swimmers after practice time, and encourage parent or caregiver supervision at all times.
- The coffee machine in the SCRA community room is for adult SCRA members. Children may not access the machine without a parent or caregiver with them.
- Swimmers and families should only be at the facility during scheduled practice times.

If you have a concern about enforcement of these policies, please contact SCRA General Manager Steve Robe.
