Athletes, Instructors, Coaches and Parents,

The Stanford University Taekwondo Program would like to cordially invite you to attend our Spring Open tournament on June 3rd, 2006 at Maples Pavilion on the beautiful Stanford University campus in Palo Alto, California.

As the Head Coach and Program Director of Stanford Taekwondo, it has been my honor to work with the Stanford University Taekwondo Program and Stanford Athletics in building a taekwondo program that we hope reflects the high standards and tradition of excellence that are associated with the University. As part of this program, we will be hosting the Stanford Taekwondo Spring Open annually, on the last weekend of May or the first weekend in June.

It is my belief that tournament competition, although not mandatory for taekwondo students, provides an opportunity for learning and experience as well as an outlet for competitive energy, technical development and social interaction between athletes. It is the philosophy of our program that the organizational theory behind the running of a successful event should play an important role in the students’ overall development through taekwondo.

Most importantly, our guiding principle will always be that “The tournament exists for the benefit of the competitor.”

With that in mind, we have planned a tournament that will include quality refereeing (the most important officials at the event), match numbering, matted rings, the highest quality electronic scoring system and trained tournament committee members who will reflect our commitment to a safe, efficient and friendly event.

Please join us for the 2006 Stanford Taekwondo Spring Open!

Tim Ghormley
Head Coach/Director
Stanford University Taekwondo Program

** Elastikon/elastic tape must be covered with at least 2 layers of white tape
** Only two layers of white tape are allowed on the forefoot/arch of the athletes
** No hard substances (metal, plastic, etc.) are to be used at any time
** No shoestrings, hinges, etc. are allowed on braces—only neoprene
** It is not recommended to put tape on the balls of the feet or the heels
** There are no stipulations for padding or taping on any other part of the body except the foot & hand

** Stanford Taekwondo strictly enforces adequate padding. WTF approved sparring equipment must be worn. Food pads that are taped on must cover the entirety of the food from the ridge to the fifth metatarsal (small toe bone), and from the ankle to the toe line. Padding must be ¼” or thicker and soft. The pads may be individually wrapped in minimal tape as long as they remain soft. Athletes violating these taping rules will not be allowed to compete.

The following diagrams depict the minimum coverage of the padding across the foot. Stanford Taekwondo will not have extra padding on hand, and you must bring your own.
If you have any questions or concerns about properly taping or padding an athlete, or about a brace, please don’t hesitate to ask the medical coordinator at the event.

**Coaches:**

The Stanford Taekwondo Spring Open will be issuing one **Coaching Pass** to every competitor at the time of check-in. Each competitor will be allowed one coach. Coaches/Instructors will have access to the competition floor **only** while accompanying a competitor three matches prior to the competitor’s match and **must** present the pass at that time. **Coaches/Athletes must leave the competition floor immediately after their match. Disruptive or disrespectful behavior on the part of the coach may result in disqualification of the competitor and/or expulsion from the tournament.**

**Spectator Information:**

All spectators and coaches (unless designated VIP or referee) must purchase an admission ticket. Spectators may not enter the arena floor at any time. Tickets will be available at the door the day of the tournament. Prices are as follows: $5 general admission, $3 with Student ID and kids under 18, and free with Stanford University ID.
