

**RELEASE AND WAIVER OF LIABILITY**

When driving my personal vehicle on a Stanford sponsored event, I have proof of coverage with the following minimums:

Bodily Injury: \$15,000 per person/\$30,000 per accident  
Property Damage: \$5,000 as required by state financial responsibility laws.

I understand that Stanford will not provide any insurance coverage for my vehicle.

The laws of the State of California will govern this agreement of Release and Assumption of Risk.

I have carefully read this agreement and its contents, and I sign it freely. I am aware that this includes a release of liability and is a binding contract between the Stanford Alpine Club, and me, and it is likewise binding on my heirs, executors, administrators, and assigns.
