

## Participants' Countries/Institutions

Country	Institution
Belgium	Cenaero
Brazil	Federal University of Rio de Janeiro
Canada	Royal Military College of Canada Université de Sherbrooke
China	Nanjing Institute of Meteorology Peking University
France	Aix-Marseille Université CERFACS École Centrale de Lyon École Centrale Paris École Normale Supérieure Paris INSA de Rouen / CORIA Institut de Mécanique des Fluides de Toulouse Safran
Germany	German Aerospace Center RWTH Aachen University Technical University of Braunschweig Technical University of Munich
India	Indian Institute of Technology, Bombay
Netherlands	Delft University of Technology University of Groningen
Saudi Arabia	KAUST
Spain	Technical University of Catalonia
Sweden	Linköping University
United Kingdom	Imperial College, London Strathclyde University University of Oxford

---

<b>Country</b>	<b>Institution</b>
United States	Arizona State University
	California Institute of Technology
	Cascade Technologies, Inc.
	Johns Hopkins University
	Mississippi State University
	Massachusetts Institute of Technology
	NASA Ames Research Center
	NASA Langley Research Center
	National Institute of Aerospace
	Oregon State University
	Sandia National Laboratories
	University of Connecticut
	University of Illinois at Urbana-Champaign
	University of Michigan
	University of Minnesota
	University of Southern California
	United Technologies Research Center
	Virginia Tech.
