Is telling you to buy it somehow worse? I want you to read them but...

...for me your presence in my life is absence.

you isn’t real to me. I’m not you. Precisely: my truth is that for me your presence that you were denying me because you needed to be private. But what’s real to...

...for me your presence in my life is absence.

I think about how I have made a living exposing sex, including my own, for the last
