

**Reproductive/Social Behavior  
Undergraduate Honors Thesis  
1991-2000**

<b>Name</b>	<b>Thesis Title</b>	<b>Year</b>	<b>Award</b>
Ben Erik Jacobson	The effects of sex hormones on the brain and their role in social dominance behavior	1991	
Kiran Soma	The effects of sex hormones on aggressive behavior and GnRH Neurons in the Male Teleost Fish <i>Haplochromis burtoni</i>	1992	Faculty member UBC
Han Ne Lee	The expression of GnRH neurons during early development in <i>Haplochromis burtoni</i>	1992	Firestone Medal
Vicent M. Ho	Effects of castration on GnRH mRNA levels in the terminal nerve	1993	
Mimi H.F. Kao	Social status and stress hormones in <i>Haplochromis burtoni</i>	1994	Firestone Medal, Dean's Award
Justin S. Rhodes	Social influence on sex determination in the African cichlid fish, <i>Astatotilapia burtoni</i>	1995	
Tuan A. Nguyen	Asymmetry in the social regulation of pre-optic area irGnRH neuronal soma size in <i>Haplochromis burtoni</i>	1996	Firestone Medal
Kenneth T. Yu	Testosterone regulation of preoptic area GnRH neuron size in nonterritorial <i>Haplochromis burtoni</i> Males	1996	
Irene Yun	The Role of Cortisol in Regulating Social Behavior and GnRH Releasing Neuronal Soma Size in <i>Haplochromis burtoni</i>	1997	Firestone Medal
Susan E. St.Pierre	Reproductive physiology: Regulation of hypothalamic GnRH soma size in <i>Haplochromis burtoni</i> through manipulation of plasma gonadal steroid concentrations	1997	
Aaron Lin	Developmental Expression of Three Distinct Forms of Gonadotropin-Releasing Hormone in <i>Haplochromis burtoni</i>	1997	
Thomas Pulham	GnRH receptor distribution in <i>Haplochromis burtoni</i> territorial males: Understanding its function and social regulation	1998	
Janet S. Byun	Testosterone regulation of GnRH neuron size in nonterritorial <i>Haplochromis burtoni</i> males	1998	
Emily D. Gestrin	A second form of GnRH in mouse	1998	Firestone Medal
Lyen Huang	A high-resolution look at social interaction in fish	1999	
Reema Munir	Characterization of the Mineralocorticoid Receptor in a Teleost Fish, <i>Haplochromis Burtoni</i>	2000	
Janet Altman	Stress as a consequence of changing status	2000	
David Lieberman	Social Regulation of Gonadotropin-Releasing Hormone Receptor (GnRH-R) Levels in <i>Haplochromis burtoni</i> Males	2000	Shuer Award
