Event: Semi-Annual iFarm Teams Launch by Stanford’s Office of Technology Licensing (OTL)
When: Tuesday, September 16, 2014, 6:30 pm
Where: Stanford University, Clark Center, Room S360
Who: Stanford inventors, Stanford affiliates, Stanford students, Stanford alumni, and relevant industry experts

Partake in the formation of this term’s iFarm Teams and discuss the potential uses of Stanford University technologies as applied in a variety of industries. We seek dedicated individuals interested in a role as an iFarm Team member or those interested in mentoring* an iFarm Team throughout the term. Online applications are due by September 2, 2014.

*Mentor Info Session: Monday, August 11, 2014, 6:30 pm at OTL, 1705 El Camino Real, Palo Alto. Learn about the iFarm Team Program and how you can make a difference with your leadership experience. RSVP by August 2 to serena.hanes@stanford.edu.

❖ About the Program
➢ Volunteer members working together to develop business plans, build prototypes, and aid in the process of moving Stanford’s technologies towards commercialization.
➢ Attend monthly seminars related to lean start-up concepts, team building, patent law, and VC pitch.
➢ Team members attend regular bi-weekly team meetings and monthly group meetings.
➢ Five month term. Successful Teams may continue or discuss licensing options with OTL.

❖ Benefits and Incentives of the Program
➢ Actively Learn about Commercialization, Start-Ups, and Technology Development Outside of a Classroom
➢ Unique First-Hand Experiences
➢ Potential for Founding a New Company
➢ Advantages of Working with Stanford Technologies
➢ Opportunities to Network in Particular Fields of Interest
   ▪ Fields Include: Medical Devices, Internet/Software, Biotechnology, Energy, and Others

❖ Questions?
➢ Luis Mejia – luis.mejia@stanford.edu
➢ Rick Gibb – rick.gibb@stanford.edu
➢ Serena Hanes – serena.hanes@stanford.edu
