Event:  
Semi-Annual iFarm Teams Launch by Stanford's Office of Technology Licensing (OTL)

When:  
Tuesday, February 3, 2015, 6:30 pm

Where:  
Stanford University, Clark Center, Room S360

Who:  
Stanford students, Stanford alumni, Stanford inventors, Stanford affiliates, and relevant industry experts

Partake in the formation of this term’s iFarm Teams and discuss the potential uses of Stanford University technologies as applied in a variety of industries. We seek dedicated individuals to participate on an iFarm Team or those interested in mentoring* an iFarm Team throughout the term. **Online applications are due by January 13, 2015.**

*Mentor Info Session: Tuesday, January 20, 2015, 6:30 pm at OTL, 3000 El Camino Real, Building 5, Third Floor, Palo Alto. Learn about the iFarm Team Program and how you can make a difference with your leadership experience. Apply online and RSVP by January 6 to serena.hanes@stanford.edu.

**About the Program**

- Volunteer members working together to provide market assessments, customer analyses and aid in the process of moving Stanford’s technologies towards commercialization.
- Attend monthly seminars related to market analysis, patenting process, and licensing Stanford technologies.
- Team members attend regular bi-weekly team meetings and monthly group meetings.
- Five month term. Successful Teams may continue or discuss technology licensing options with OTL.

**Benefits and Incentives of the Program**

- Actively Learn about Commercialization and Technology Development Outside of a Classroom
- Unique First-Hand Experiences
- Advantages of Working with Stanford Technologies with Access to the Stanford Venture Studio
- Opportunities to Network in Particular Fields of Interest
  - Fields Include: Medical Devices, Internet/Software, Biotechnology, Energy, and Others

**Questions?**

- Luis Mejia – luis.mejia@stanford.edu
- Rick Gibb – rick.gibb@stanford.edu
- Serena Hanes – serena.hanes@stanford.edu
