We are pleased to announce the **8<sup>th</sup> International Workshop on STRUCTURAL HEALTH MONITORING**, to be held September 13-15, 2011 at Stanford University.

The focus of the workshop is to promote applications of SHM technologies and to encourage interaction between industry and academia. We place significant emphasis on industrial applications including aerospace, ground transportation systems, and civil infrastructures.

Your company plays a leading role in this field and is cordially invited to participate in the Products & Technology Exhibition. Samples of selected companies that have participated in the exhibition at previous workshops are listed below:

Acellent	Impact Technologies	National Instruments Corp.
Avensys	InPhenix	Redondo Optics
Asmote	Insensys	Redfern Integrated Optics
BaySpec	Invocon	Roctest
Composite Design Group	Kinematics	National Instruments
Digitexx	Metis design	Physical Acoustics Limited
DLR	Micron Optics	Structural Monitoring Systems
EC Electronics	MicroStrain	Technobis Fibre Technologies
IFOS	MPA Universität Stuttgart	VCE Holding

The cost of reserving a space is \$650 (academic institutions: \$250). In addition, all company representatives must register as participants at the corporate rate of \$290/pp. We will provide:

- Lunches: Sept 13-15<sup>th</sup>, 2011
- Networking BBQ
- Access to technical sessions
- Exhibitor listed on final program and website.
- Booth size: 10'x10'
- Table size: 3'x8'
- Chairs: 2
- Internet availability
- Note: exhibition is outdoors in shaded area, power provided.

If you have any additional requirements beyond the listed here we will be happy to work with you to accommodate your needs. You are also encouraged to participate in a special session, [SHM in Action](#) which provides a unique opportunity to combine product demonstration with podium discussion.

Please register your company by filling out the [registration form](#) with a brief description of the product that you wish to display or demonstrate. Upon completion of the selection process you will be invited to reserve a booth space.

Sincerely,

Cecilia Larrosa
