Guidelines for Poster Exhibition

<u>Location:</u> **The Oval**

September 2nd, 12:10 AM – 14:00 PM

- Authors should be prepared to present at their poster during complete time of the **poster Q&A session: Wednesday, September 2nd, 12:10 AM – 14:00 PM**
- Each author will be provided with space on a poster board. Thus, there is no need to bring their personal boards.
- **Maximum** poster size is 4-ft x 4-ft.
- Tapes, glues, and push-pins will be provided.
- Set-up time begins at 10:10 AM on Wednesday, September 2nd.
- Participants are encouraged to bring their research products and samples for demonstration.
- Please note that the organizers will not offer tables for laptop computer demos during the poster session. If you would like to demonstrate your software, you are encouraged to bring your own equipment.
- For more details, please email Purim Ladpli: pladpli [at] stanford [dot] edu
- *Poster printing*: Authors are responsible for printing and bringing the poster to the poster session. Nevertheless, we recognize that traveling with a poster is not very practical and hence we have listed some local printing options that will print and deliver your poster.
