

# IWSHM 2017 – Awards

## Best Poster Paper Award

The *SHM Best Poster Paper Award* is presented to one or more individuals whose poster paper(s) are selected to have the highest quality and innovation from the Proceedings of the 2017 IWSHM. The Award, evaluation criteria, Award Committee composition, nomination and selection procedures are described below.

### **I. Eligibility**

All the poster papers submitted, accepted and presented-in-poster for the 11<sup>th</sup> IWSHM are eligible for this Award.

### **II. Nomination criteria**

All the authors are considered candidates for this Award. Originality and technical excellence are the two main criteria for selection.

### **III. Award Committee**

The Award Committee is formed by all the Session Chairmen for this Workshop. They may propose among the articles from the sessions of their specialty, one or two poster papers which may be candidates for the Award, justifying their proposal.

The Award Committee Chairman is Prof. Yi-Qing Ni, from the Hong Kong Polytechnic University, Hong Kong. His primary responsibility is to make sure the committee functions and, based on the votes from the Award Committee members, to rank the candidates.

### **IV. Selection procedure**

Originality and technical excellence are considered as the main criteria for nomination. Session chairmen will rank the poster papers; later a subcommittee will review these proposals and will prepare a definitive selection.

### **V. Award presentation**

During the Workshop, a plaque accompanied by a check will be presented by the Chairman of the Award Committee. The Chairman of the Award Committee and the Chairman of the Workshop are in charge of the Award presentation ceremony.

### **Chairman of the Award Committee:**

Prof. Y. Q. Ni

National Engineering Research Center on Rail Transit Electrification and Automation (Hong Kong Branch), the Hong Kong Polytechnic University, Hong Kong
