

TrainGone

Express yourself beyond words.

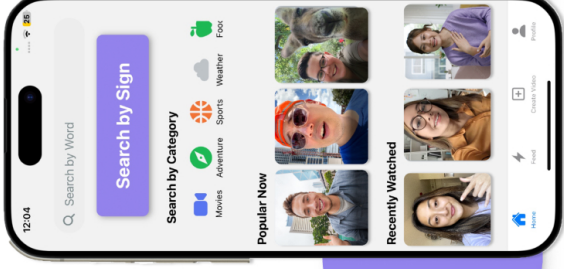

THE PROBLEM.

ASL speakers cannot translate directly from an ASL sign to its English word.

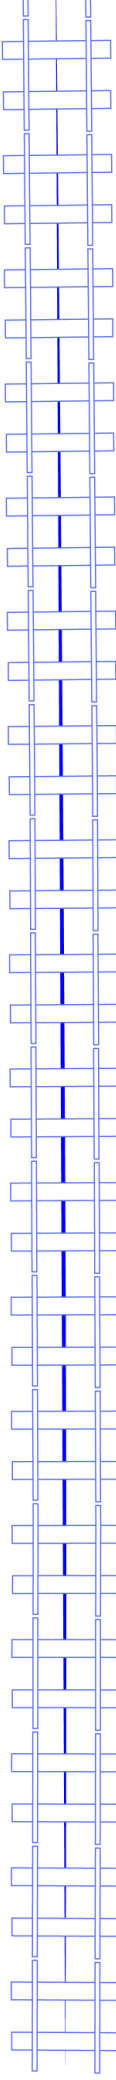

OUR SOLUTION.

TrainGone provides a **social educational platform** for ASL learners to solidify their understanding through **exposure** and for deaf signers to define signs through **video storytelling**.

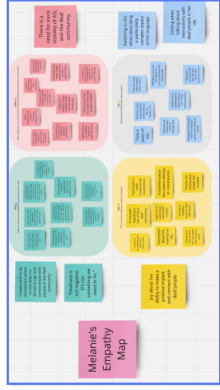

KEY FEATURES.

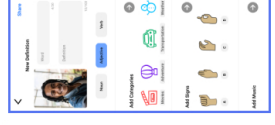

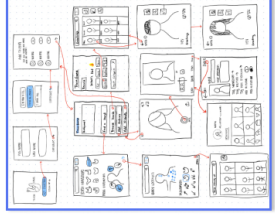

1. Look up ASL Definitions
2. Explore New and Similar Definitions
3. Post your own Definition

DESIGN PROCESS.

Hey I'm planning a meet up at Coupa Cafe at 2 PM for people who want to get together and practice speaking in Spanish! Let me know if you're interested! :)

1. Needfinding

2. Testing

3. Low-Fi

4. Med-Fi
