- Continuing the discussion on bias & fairness
- Paper presentation by Dorna & Pawan

## How do you feel after Monday's talk & discussion?

Nobody has responded yet.

Hang tight! Responses are coming in.

## Talk in small groups

- Did anything surprise you, or challenge your ideas of this topic based on the readings & talk? Is there anything you disagree with?
- What is one **decision** that you can make *now* that will either help surface or even better, mitigate biases in **your final project**?
