SCHOLARSHIP APPLICATION
All program applicants (10-Month and NFF) are required to complete this form.

- Scholarship awards are based on merit (primary) and need (secondary), and are made only after admission decisions are finalized. IUC is obligated to consider the donor’s criteria when making awards.
- IUC scholarship funds are limited. Students are urged to explore all avenues of funding such as FLAS and NSEP as well as private foundations such as the Blakemore Foundation. Most IUC scholarship awards take the form of partial to full tuition grants.
- A sample student budget is available on <https://web.stanford.edu/dept/IUC/cgi-bin/resources/index.php>
  A married student with accompanying spouse should plan on spending an additional $10-12,000 in living costs.

Name ____________________________________________________________
(print)

☐ I do not wish to be considered for IUC scholarship funding and therefore will not provide the information requested below. Signature __________________________ Date __________________________

☐ I do wish to be considered for IUC scholarship funding and therefore will provide the information requested below. Signature __________________________ Date __________________________

- University in which you will be enrolled during 2016-17 (other than the IUC) __________________________

- Undergrad _______ Grad Senior _______ Graduate Program _______ Not enrolled in university/college _______
