Caitlin O'Farrell • Meredith Chin: Yay Meredith! Today is the day!
6 minutes ago • Comment • Like • See Wall-to-Wall

John McKeeman • Suedy Ezzatyar: Lay off that 'other stuff' and have the original!

Here is a Coke just for you!
For each one you send, Coca-Cola will donate $1 to Boys & Girls Clubs of America up to $200,000. Send one to your friends.
DON'T PANIC!

Color Chooser
This color chooser gadget is a handy little web developer tool that allows you to choose a color by either using the RGB slider controls or text boxes. It also functions as a RGB-to-Hex or Hex-to-RGB color converter.

WebLogin

**Important Security Information:** With your login to WebAuth, gates to many different Stanford web sites have been unlocked for you, not just the web site you requested. In other words, many web sites that would ask you to login will not do so now that you have logged into WebAuth.

**Caution:** Never enter your password on a web page unless that page's address bar points to weblogin.stanford.edu or unless you are establishing network connectivity.

Only authorized Stanford users are permitted to use and access this computer and the computer networks and systems of Stanford University. If you are not an authorized user, do not login to this system. Users have no expectation of privacy while using this system and uses, data, and transmissions on this system may be intercepted, monitored, recorded, copied, audited, inspected, and disclosed at the discretion of Stanford University and subject to applicable laws. You agree not to use this system for any illegal purpose or to make any unauthorized use of this system or another party's intellectual property. All use of this system is subject to Stanford University’s rules and regulations, including without limitation the Stanford University Administrative Guide, which is available for your review at [adminguide.stanford.edu](http://adminguide.stanford.edu).
