Institutional Stipulations

Stanford University is using the review process to demonstrate its fulfillment of the Core Commitments to Institutional Capacity and to Educational Effectiveness, that it will engage in the process with seriousness and candor, that the data presented are accurate, and the Institutional Presentation will fairly present our institution.

Stanford has published and has publicly available policies in force as identified by the Commission in Appendix 1 of the WASC Handbook. Such policies will be available on request throughout the period of accreditation.

Stanford will abide by procedures adopted by the Commission to meet United States Department of Education (USDE) procedural requirements as outlined in Section VI of the WASC Handbook.

Stanford will submit all regularly required data, and any data specifically requested by the Commission during the period of accreditation.

Stanford has reviewed all its off-campus programs and distance education degree programs to ensure that all have been approved as required by the WASC Substantive process.
