Hi Margaret,

My top two photos from my photoshoot with Harrison are numbers 26 and 27 (green background). If you want an option with a different background, I also like numbers 14 and 17.

Thanks very much,
Maggie

Stanford sits on the ancestral land of the Muwekma Ohlone Tribe. This land was and continues to be of great importance to the Ohlone people. Consistent with our values of community and inclusion, we have a responsibility to acknowledge, honor, and make visible the University's relationship to Native peoples.

Hello,
I'm hoping you have had time to select your favorite images from the Harrison Truong photoshoot(s). I would love to share them with Cultural Counsel and beyond for promotional purposes. It would be great to receive your selects by Friday, 4/21/23.

Thank you,
Margaret
