Dear All,

Thank you for this. For the shoot with me and Aleesa, I would prefer you use image 9. I do not like any of the individual shots of me, so I ask you not use them. Please use this image instead. Image credit: Toyo Miyatake Studio.

Hello,

I'm hoping you have had time to select your favorite images from the Harrison Truong photoshoot(s). I would love to share them with Cultural Counsel and beyond for promotional purposes. It would be great to receive your selects by Friday, 4/21/23.

Thank you,
Margaret
