STANFORD GROUNDS & PLANTS: 30 YEARS OF CHANGES AND BEYOND

Herb Fong
University Grounds Manager

“After 24 years on campus, most of them as chief groundskeeper, Herb Fong has been a firsthand witness to the growth of Stanford. Archivist Margaret Kimball, who worked with Fong on the $3.6 million reconstruction of Palm Drive in 1994, says, ‘He’s not only knowledgeable about plants, he’s knowledgeable about campus.’”
