Beliefs About Immunization and Children’s Health Among Childbearing Mothers in Nepal

Photos from My “Voyage of Discovery” in Kathmandu, Nepal
December 2001

MY INTERVIEW SITES

The Immunization Clinic at Kanti Children’s Hospital, which served as my primary interview site

The pharmacy adjacent to the Immunization Clinic
The main entrance of Kanti Children’s Hospital

The Physical Therapy Unit of Kanti Children’s Hospital
The bustling streets of Kathmandu’s Thamel district, which are lined with vendors, shopkeepers, and many street children.

The three-wheeled cycle (also called a ricksha) is one of the most popular forms of transportation throughout the Kathmandu Valley.
MY TRANSLATORS

Mukunda Chettri helped me administer surveys at the Patan Health Post

Niru Pariyal assisted me in my interviews of Nepalese women at the Immunization Clinic at Kanti Children’s Hospital
