Cultivating Dreams Through Action

A Community Premiere of Three Short Films

Join us for a premiere that will feature three mini documentaries showcasing the history, culture, and visions of East Palo Alto.

Learn about a vision that could change the way you think about sustainability and our land.
Hear the story of young community organizers who shut down a hazardous waste facility.
Be inspired by East Palo Alto’s agricultural history and learn how you can get involved with existing gardening opportunities.

Please stay after the documentaries and enjoy homegrown food and a live performance by the H2O band!
