AA 214: Numerical Methods for Compressible Flows (Winter 2026)

Homework and Take Home Final Exam Instructions

Please:

1. Typeset your Homework (Take Home Final Exam) or write neatly.

2. Document each submitted computer program/module with its anatomy at the beginning of its listing and refer to this documentation where appropriate – in its body and/or main document of the homework – to ease its understanding.

3. Submit your Homework (Take Home Final Exam) electronically, as a **single** PDF document. Do not submit any figure or code separately.
