BOOK of NEKUDOTH ha-KASEF

A Commentary on the Song of Songs

Prepared and analyzed by the Rav ha-Kotel, the distinguished Dayyan and keen jurist, our Lord and Teacher, the accomplished Haham Abraham Laniado.

With due recognition to his son-in-law, his spiritual heir, the eminent Haham Moshe Laniado

who prepared it for publication and added, with redoubled energy, the Targum, the Ladino and Rashi’s commentary in order to benefit the public. May God grant him life and merit, and lengthen his days for good and his years in delight.
