

## Articles, Obituaries, and Memorials on George B. Dantzig

- “George Bernard Dantzig,” *The Mathematics Genealogy Project*, <http://www.genealogy/math.ndsu.nodak.edu/> .
- “An Interview with George B. Dantzig: The Father of Linear Programming,” *College Mathematics Journal* 17 (1986), 292–314. By Donald J. Albers and Constance Reid. [Also in *More Mathematical People*, Harcourt Brace Jovanovich, Boston, 1990, 61–80.]
- “George Bernard Dantzig — Stanford math professor,” *San Francisco Chronicle*, Monday, May 16, 2005. By Steve Rubenstein.
- “George Dantzig, 90, noted statistics theorist,” *San Jose Mercury News*, Tuesday, May 17, 2005. By Howard Mintz.
- “George B. Dantzig, 90; Devised Math Solution to Broad Problems,” *The New York Times*, Monday, May 23, 2005. By Jeremy Pearce.
- “George B. Dantzig: Operations Research Icon,” *Operations Research* 53 (2005), 892–898. By R.W. Cottle.
- “George B. Dantzig: A Legendary Life in Mathematical Programming,” *Mathematical Programming* 105:1 (2006), 1–8. By R.W. Cottle.
- “Remembering George Dantzig,” *SIAM News* 39:3, (April 2006), 2–3. By R.W. Cottle and M.H. Wright.
- “George B. Dantzig (1914–2005),” *Notices of the American Mathematical Society* 54:3 (March 2007), 344–362. By R.W. Cottle, E.L. Johnson, and R.J.B. Wets.
- “George B. Dantzig,” *The New Palgrave Dictionary of Economics*, Macmillan, New York, 2008. By R.W. Cottle, B.C. Eaves, and M.N. Thapa.
