Need to find a place to meet your classmates?

PLEASE READ THESE IMPORTANT DISCLAIMERS

Though we did our best to capture as many available locations near Class Headquarter Tents as possible, there is no guarantee that all spaces within the directory will be open, haven’t moved, or otherwise been made unavailable at the time of Reunion Homecoming. Sometimes, venues changes hours of service, facilities move or remove benches, or simply the location is reserved or later forbidden by the university for use by alumni gatherings. Most locations will remain valid and useful for purposes of Mini-Reunion gatherings. Nearly all campus locations are available on a first come first served basis unless otherwise indicated. NOTE: Any location near student residences or a student program is subject to the NO ALCOHOL being served university policy. There are many locations we haven’t captured yet on the West and South sides of campus because their proximity is not as close to the Tents. Any location too-near a student residence will likely not be listed and would require the permission by the dorm’s Resident Fellow or Resident Advisor (example: Toyon Courtyard). We thank you in advance for your understanding.
