#09does10ThingsIHateAboutYou, a.k.a. Blessings in Disguise
1:15–2:45 pm
MAIN QUAD, HISTORY CORNER/BUILDING 200 (D-7), ROOM 002
A decade before you graduated (in 1999!), Julia Styles and Heath Ledger starred in the film classic 10 Things I Hate About You. In Julia’s famous final monologue, she describes the things she hates about Heath... except she doesn’t hate them, not even a little bit, not even at all. Now a decade after you’ve graduated, what have been the biggest blessings in disguise over your last 10 years? What would you say you hated, but actually in retrospect, you couldn’t have been more thankful for? Join fellow ’09ers for an honest, heartfelt, humorous and real discussion of transitions, failures, success, happiness, tragedies, and everything in between as you kick off Reunion Homecoming.
