5 - What skills or knowledge did you learn or improve from this instructor?

Ajay Singhvi

Response Rate	5/17 (29.41%)

- Ajay helped me in lab, and made it a priority to check in and test our knowledge throughout the experiments. This was very helpful in showing us what the important concepts were.
- Skills in lab, understanding concepts in class/homework
- he was one of the best TAs ive had!! really passionate about the topic and was really good at explaining the topics to students in lab.
- Tradeoffs of sensor technology
- I definitely learned how to look at things from a different perspective and learn other applications or ways the sensors could be used.
