

Zapatismo Here and There: Solidarity and Networking

Chiapas Support Committee of Oakland
Zapatista Solidarity Coalition of
Sacramento

Agenda

- Introduction to the Zapatista Movement and Zapatismo (Mario)
- Meeting workshop participants & discussion (Carolina)
 - Introductions/connections to Zapatsita movement
 - How Zapatismo has influenced our work
- Building an Urgent Response and Communication Network (Todd)

Elements of the Urgent Response and Communication Network

- A network, not an organization: organizations join through contact persons
- Provisional commitment to communication about and to coordinate action in urgent response the three situations:
 - the political murder of a Zapatista;
 - the forced entry of the Mexican Army into an autonomous community;
 - a national call
- Agree that we are not a standing organization, with no email list address (“No one can speak for the network”)
