The Calvó-Armengol International Prize
Call for Nominations (2009 edition)

The Calvó-Armengol International Prize has been established by the Barcelona Graduate School of Economics, the Government of Andorra, and the Credit Andorra Foundation, to honor the memory of Prof. Toni Calvó-Armengol, who passed away in the Fall of 2007 at 37 years of age. It will be awarded biannually to an economist, or other social scientist, who is not older than 40 years old, for his or her contributions to the understanding of social structure and its implications for economic interactions. The prize, which includes a cash award of 30,000€, will recognize exceptional achievement in research.

The first awarded scientist will be selected in June of 2009, one year prior to the award ceremony. He or she will be the scientific director of a fully-funded three-day workshop for 20 to 25 young investigators from around the world. The ceremony and workshop will take place in June 2010 in Andorra, the small and beautiful country in the middle of the Pyrenees that was Toni's homeland. Because Toni Calvó-Armengol was a professor at the Universitat Autònoma de Barcelona and the Barcelona GSE, the prize-winner will also deliver an academic lecture in Barcelona.

Nominations should include a one-page statement about the nominee's contributions and his or her CV. The nominee should have been born in 1968 or later. The prize is organized by the Barcelona Graduate School of Economics. Nominations will be considered by a selection committee appointed by the Barcelona GSE, consisting of Prof. Matthew Jackson (Chair), Prof. Salvador Barberà, and Prof. Joel Sobel.

Nominations should be addressed, before March 15th of 2009, to: prize@barcelonagse.eu

or to: Prof. Montserrat Farell Secretary of the Calvó-Armengol International Prize Barcelona GSE Ramon Trias Fargas, 25-27 08005 Barcelona
