Announcement and Call for Papers:

Social Networks and Peer Effects:  
Theory and Applications  

A symposium in memory of Antoni Calvó-Armengol

The editors of the *Journal of the European Economic Association* (JEEA) and the organizers of the *Conference on Social Networks and Peer Effects: Theory and Applications, in Memory of Antoni Calvó-Armengol* announce a symposium issue of the *JEEA* in memory of Toni.

Papers for the symposium should be related to the theme of the conference and Toni’s research, but do not need to be presented at the conference in order to be considered. All papers submitted to the symposium will go through the standard refereeing process of the JEEA. The symposium issue will be edited by Matthew O. Jackson and Xavier Vives. Although publication is not guaranteed, the processing will be fast. Papers should be submitted via the JEEA website, [http://www.eeassoc.org/jeea/](http://www.eeassoc.org/jeea/), including a comment in the cover letter that the paper is intended for the Antoni Calvó-Armengol Memorial Symposium.

The deadline for submitting to the symposium is June 30, 2008.
