Somehow I think we are suppose to help them through the crisis, but we simply can't.

You probably heard the Fed met with the CEOs of the top US Banks and Brokers after close to discuss LEH.

Best regards,

Tom

They have been straight with us - and us with them. Market forces are irrational. It has to stop somewhere for the sanctity of the system. This isn't supposed to be how it works.....or is it ?

We funded ourselves fine today. Tried to get some late payments out from our citi account (we were long in the account), but unfortunately not able to process due to time constraints. Your guys tried hard. Need to make the payments first thing Monday. Enjoy your weekend; unlikely I will enjoy mine - lots of work to do and people to engage with.
