> All,

>
> We apologize for the delay, but attached please find the committee
> memo for Project Easy Living. We will be updating the Committee on
> the potential \$24 billion acquisition of Archstone-Smith Trust by
> Tishman Speyer Properties and Lehman Brothers. We are planning to
> return to Committee on Friday, May 18th to request final approval for
> the commitment, at which time we will have completed our due diligence
> and financial model.
