> Next month Chris is going to give a few presentations. One version is
> a generic risk management presentation for non-financial services
> clients (20 - 30 minutes long) and the second is a quick overview of
> risk at Lehman (5 - 10 minutes long with no handout, etc). He is
> going to give each of these a few times. I put together drafts of each
> - please let me know your comments/suggestions. I'll be away for a
> week and I'll circle around with everyone when I get back. We should
> probably get him a draft the first week in June.
> Thanks
