No office tomorrow. The key to our success is the viability of the spinco. We need to get others to finance it so it doesn't sit on our balance sheet.

That means

family + friends//

Koreans//

Ilc-if needed//

Bankhaus-if needed//.

This deal +finding a profit somewhere-your prop assets

De shaw

Asst mgt

Priv eq book etc

All are key.

Keep thinking. I need that.

Hope you are relaxing a little bit. Stress level been getting a little bit out of control. We can only do, what we can do and I think we have a reasonable plan.

Are we all catching-up in office tomorrow?
