Please be advised we have today executed the Cash Deed with the above and I attach these for information purposes below.

The deposit is currently held in MILAN International on MMK and I will today send copies of these to the Global Head of COBAM Steven Rubel to ensure the underlying cash accounts to which the Deed(s) refer in schedule 1 are made operational so we can place in one of these.

As soon as this is done, hopefully tomorrow, I will look to ensure the deposit is placed in a respective account in the name of MILAN Inc so we have a more secure position as this DEED has a cross guarantee clause.

Kind rgds Guy
