Thank you Karen.

Just an aside and something that high profile for HSBC in terms of "relationship", is participation by Lehman in HSBC Finance revolver.

I know Guy speaking to Huw on this as Lehman was directly solicited, but if anything can do or add on my end happy to do so.

I think business level relationship/dialogue between Finance and Lehman has improved over past year or so and going forward it is not like we can do it ourselves on MBS side following recent US downsizing so maybe more opportunity for Lehman (open door for ideas/value added).

Regards
Paul
