Dave -

Attached is a two-pager that lays out the key objectives, challenges and the 4 scenarios w/pros and cons as we disc'd. Given the confirmation that we are mark-to-market for tax and accounting a few of the addtl ideas we were working on throughout the past 24 hrs will fall to the side.

Let us know if you'd like to discuss or if there is anything else we can do to assist you before the session tmrw w/Fink.
