Subject: Dick's Meeting with CITIC Capital

Jesse,

I just learned from CITIC that Dick met with the CEO of CITIC Capital Mr Wang twice in NYC. In addition to the breakfast meeting he and Bart did on 8/4, when I was there, he met with Wang again the following day on 8/5.

My understanding is nothing significant was discussed at the second meeting, but I am not sure if that has attributed to the leak in the press.
