Ian - These are the bullet points discussed with Joe Gregory on Thurs/Fri last week, that he may want to go thru with Exec Comm on Mon. Will you coordinate with him on this? May make sense to ask Tim Lyons to join as well....he has been in a key seat pulling this info together. Your call. Copies are not yet made for the group. If you have changes, Blair has the document, which is included in soft copy here as well. Thanks, Chris
