Tom,

As discussed on the call this afternoon, I am the person to get in touch with regarding comments on the SEC talking points. You can reach me at:

617-899-0960

I've also cc'd Daniel Kerstein on this as well, who can be reached at 718-316-2285. The latest version of the talking points (that you also received this afternoon at 4:15 pm prior to the call - no changes have been made) is attached as well.

Thanks and have a great weekend!  
Mike
