> Subject: CSE Inspection Request

>
> All,

>
> We have received our first follow-up request from the SEC-CSE
> Inspection team following our meetings. This request is being made in
> advance of the final scope & documentation request as the SEC wants
> this information in order to help define the Scope Memo, Workplan and
> Documentation Request List.

>
> The two items requested are:

>
> (1) GREG Price Verification policies and procedures (PTG, CMBS, and
> related derivatives), and
> (2) A detail inventory listing as of January 31, 2008 (PTG, CMBS, and
> related derivative inventory)

>
> Please let me know approximately how long we need to gather this
> information and if there are any issues or areas of current policies
> being revised.
