

## *ACKNOWLEDGEMENTS*

Thanks to Ian Hodder for contributing the Foreword, and to Tony Giddens and Jonathan Steinberg for comments on an earlier version of Chapter 3. To K. W. Osborne, Honorary Secretary of the Labologists Society, U.K.; Lars-Eric Gustavsson, Stockholm; M. L. Willers and Al. Berriman of Vaux Breweries; Pripps Brewery, Stockholm; The Campaign for Real Ale; The Brewers Society; Centralforbundet for alkohol - och narkotikaupplysning; Svenska Bryggareforeningen; Thomas Kolk, Socialstyrelsen; Erik Malmberg and Gote Nylin, PLM Pac, Malmo, thanks for help regarding Chapter 8.

All the computer analyses were performed on the old Cambridge IBM 370/165 and the new IBM 3081 computers. Thanks to Paul Callow and members of the Cambridge University Computing Service for their help.

The drawings were prepared in final form by Michael Shanks. Thanks to Ann Hartshorne for Figure 4.2, John Duncan for Figure 8.20 and to Stefan Rousseau for help with the photos of beer cans in Chapter 8.

Christopher Tilley would like to thank the British Academy and the Swedish Institute for funding for some of the basic research for Chapters 7 and 8; the Master and the fellows of Trinity Hall for providing such a stimulating environment in which to live and work, and colleagues at Lunds Universitets Historiska Museum.

Warmest thanks also to Jenny Vaughan, Alan Campbell, Kate Swearman, John Goodenough, Nancy Tilley, Jonas Lindh, Mats Ericsson, Ewa Rosen, John Duncan, Suzanne Cederfeldt, Anne Nilsson, Ole Heggen, Jan Freden, Kenneth Winsborg and above all Elizabeth Shanks and Karin Tilley - they will know why.
