# BRAIN 2014 Student Paper Competition Winners

Congratulations to the winners of the Best Paper Award Competition sponsored by the Institute for Engineering in Medicine at the University of Minnesota, which covers research related to the BRAIN (Brain Research through Advancing Innovative Neurotechnologies) initiative presented at the 36th Annual International Conference of the IEEE Engineering in Medicine and Biology Society.

## First Place

Sergey Stavisky, Stanford University

"Hybrid Decoding of Both Spikes and Low-Frequency Local Field Potentials for Brain-Machine Interfaces"

## Second Place

Jiaen Liu, University of Minnesota

"Gradient-Based Magnetic Resonance Electrical Properties Imaging of Brain Tissues"

## Third Place

Prashanth Ravindran, Indian Institute of Technology, Delhi

"Parkinson's Disease Detection Using Olfactory Loss and REM Sleep Disorder Features"

## Society Partners
